

PROVENUEONLINE®

Extend your reach with automated, 24/7 online ticketing

ProVenueOnline creates a custom web page for your venue that delivers high volume, real-time ticketing transactions in a secure online environment.

Features and Benefits

Your own custom-branded web pages

Build customer loyalty, enhance customer confidence and deliver a seamless ticketing experience by selling tickets through your branded website.

Real-time system synchronization

Equal access to inventory. Customers are assured access to the same ticket inventory as they would have at your box office.

24/7 Internet sales

Automate your box office, increase revenue, handle high transaction volumes. Offer single ticket sales, season tickets, and group packages. Reduce operating expenses.

Shopping cart

Enable your customers to make multiple purchases in a single transaction to increase sales.

Password protected sales offerings

Password protected access to specific pages lets you offer special pricing and discount options for targeted groups.

Season ticket sales

Offer season tickets and renewals online, providing convenience to customers while streamlining season ticket operations.

Fixed & custom packages

Increase package sales. Provide more opportunities to purchase tickets with flexible packages including half-season, fixed packages, or custom offerings.

Group sales *(Requires ProVenueElite®)*

Sell blocks of tickets. Reach out to business and civic groups with convenient group sales packages.

Targeted group sales

Reward your sponsors and donors. Offer discounted tickets for specific events through password access.

Online promotions

Use discounts, coupons and promotion codes online to reach a broader audience and increase consumer demand.

Gift certificates

Increase revenue with gift certificates for the purchase of tickets to future events and merchandise.

Upsells & promotions

Drive incremental sales. Offer customers the opportunity to upgrade their seating, add items to their order, or select alternatives to sold-out events.

MyTickets™ *(Requires ProVenueElite®)*

Enable your customers to resell, transfer, or donate their tickets in a secure environment. Prevent fraud, reduce abuse, and generate incremental revenue through transaction fees.

Tickets@Home® *(Requires Access Control)*

Offer customers the convenience and security of printing tickets from their home or office. No waiting in line at the box office. Customers with Tickets@Home tickets bypass will call.

Tickets@Phone® *(Requires Access Control)*

Send paperless, barcoded tickets directly to your customers' mobile phones. Tickets@Phone are redeemed at your venue directly from their mobile phone display through the use of a bar code scanner.
